MEMORANDUM FOR: Chief of Staff, Department of the Air Force
 ATTENTION: Charles M. Walton, Jr., Col., U.S.A.F.
 Directorate of Intelligence
 SUBJECT: Request for Instructions Issued to Personnel Engaged
 in Collection of Atomic Energy Information.

1. Reference is made to memorandum dated 21 October 1953,
 subject as above.

2. There is transmitted herewith collated written guidance
 material pertinent to foreign atomic energy activities which has been
 issued to information collection personnel.

3. It is noted that the classification of the information contained
 in the enclosures is no higher than Secret. In specific fields of
 interest, Top Secret guidance materials have been prepared for issuance
 to appropriately cleared personnel for consideration in connection with
 collection activities; for example, specific guidance has been issued
 in connection with stockpiling and delivery problems.

4. It is noted, in addition, that documents
 have been formerly transmitted to the Air Force through
 collection and dissemination channels. The remaining documents have
 been the subject of discussion with Air Force representatives to the
 Joint Atomic Energy Intelligence Committee. The appropriate Offices
 of this Agency will continue to be available for such additional require-
 ments as the Department of the Air Force may have in connection with
 the above subject matter.

This material contains information affecting the
 national defense of the United States within the
 meaning of the espionage laws, 18 U.S.C., Secs.
 793 and 793d, and of the National Security Act of
 1947, Section 101, which makes it a crime to communicate
 with an enemy in time of peace, or to a foreign power
 which in time of war would be an aid and comfort to
 the enemy, or to an enemy agent, or to a person
 prohibited by law.
